Introduction

As a junior developer at Global New Wave in Myanmar, the task is to create a prototype app that encourages users to "save products for later" instead of making immediate purchases. The app allows users to revisit their saved products and access the product homepage via a link. Users can also remove items they no longer want. The goal is to design a user-friendly and efficient mobile app that meets customer needs

The Log In page features a dark blue header with the GUSR logo (a shield with a book and a torch) and the text "GUSR GUSTO UNIVERISTY STUDENT RECORD". Below the header, the text "Log In" is displayed in large white font. Underneath, there are two white input fields with blue borders, labeled "Enter your email" and "Enter your password". A blue "Log In" button is positioned below the password field. At the bottom, a dark blue footer contains the text "Departments: Admin: +123 456 789 Academic: +321 654 987 Finance: +987 654 321".

The Sign Up page features a dark blue header with the GUSR logo and the text "GUSR GUSTO UNIVERISTY STUDENT RECORD". Below the header, the text "Sign Up New Account" is displayed in large white font. Underneath, there are four white input fields with blue borders, labeled "Enter your ID", "Enter your given edu email", "Enter your new password", and "Confirm your new password". A blue "Sign Up" button is positioned below the "Confirm your new password" field. At the bottom, a dark blue footer contains the text "Departments: Admin: +123 456 789 Academic: +321 654 987 Finance: +987 654 321".
